## Education

*Open Issues and Discussion Items:*

1. 2019 Symposium: "Rebellion in the Archives", 17 October 2019
    - CONFIRMED: CJH as venue
    - 11 single proposals + 1 panel proposal. Choose by 1 April
    - Event page: <https://www.nycarchivists.org/event-3301143>
  2. April 17: A workshop on or geolocation --either a full or half day
  3. Possibly another spring workshop on accessibility with Programming
  4. Vimeo account almost full; requires login (or awkward workaround) for viewing; lately displays aggressive (annoying) marketing. I propose switching to Internet Archive: nonprofit, unlimited space, free.
